Best, to us, means 100% service to our customers.
And 100% support for our employees. We've been doing both for
more than 50 years. We think you'll like the results.

GCI Outdoor was founded in 1996 when a desire for a chair that didn't exist inspired the creation of the Everywhere Chair®.

Since the introduction of the Everywhere Chair, innovation has remained at the core of each product we design. We have continued to produce feature-rich products that not only fit your outdoor lifestyle, but also support our company philosophy – “Think Outside.™”

Co-Presidents and life-long friends, Dan Grace and Jeff Polke, have grown GCI Outdoor into a world-wide business and in 2015, launched a new product line - GCI Waterside - reinventing what a day at the beach looks like. Their ingenuity combined with unsurpassed customer service has made GCI Outdoor a leader in the outdoor industry.
