*“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.”  
-Jeremiah 29:11*

Dear Haddam and Higganum Friends,

This morning I read about the “[third quarter](#)” effect. This is a dynamic where folks approaching the anticipated end of a period of extended isolation experience increased anxiety and irritability. Apparently, Antarctic researchers and submariners know all about it!

With vaccines providing a glimpse of light at the end of the tunnel we entered last March, we may find others or ourselves similarly affected. As with other aspects of the pandemic, this experience invites us into personal and spiritual reflection.

I wrote last fall about [Dr. Aisha Ahmad’s](#) description of the six-month “wall” in a sustained trauma, when folks feel exhausted, are unsure about what is to come, and wonder if they will be able to keep on. The coping strategy recommended was to be patient: to “keep on keeping on” while practicing self-care. We held onto the truth that God is faithful.

“Third quarter” agitation may arise from a more complex and unconscious set of feelings and fears. I picture us as prisoners about to be paroled or patients returning home from a long stay in rehab.

Having grudgingly grown accustomed to the limits placed on us, and having found what seems like every possible way to “make lemonade” out of the lemons handed us, we now begin to anticipate the demands that come with greater freedom and interaction. It is what we have been waiting for, longing for- but it is **more change**, after we have adjusted and readjusted so many times.

As we know, change involves grief. Weirdly, after so much time in this pandemic wilderness, the return to something-like-normal will be a **loss** of something that has become familiar. We do not- cannot- desire any extension of a time with such widespread

physical, economic, and emotional suffering, yet we may feel unsettled and uncertain, as well as excited, seeing the light at the end of the tunnel grow brighter.

According to those who have experience with the emotions of the “third quarter,” “**focusing on the mission**” helps.

We can use this approach:

- in the pandemic- *by keeping on with masks and distancing to protect ourselves, our neighbors, and the health care system;*
- in our churches in transition as the PSC moves into an active search mode- *by leaning into unfinished tasks of the interim time in its own ‘third quarter’;*
- and in our individual lives- *by honoring the sense of purpose God has placed and strengthened within us.*

*God will remain faithful in these new times, too.*

Blessings,  
Pastor Michelle

## DIACONATE CORNER

Dear Church Family,

As we travel through Lent this year, a year full of losses and change, may we reflect on the priorities that have sustained us during this difficult time. Family and faith top many of our lists.

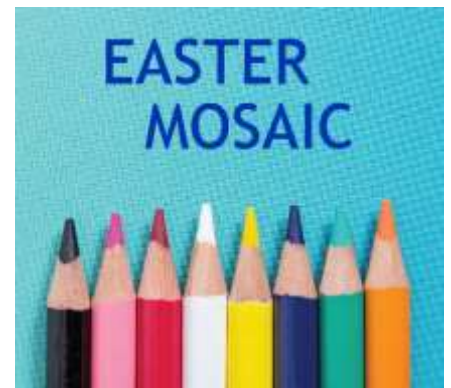

As Deacons, it has been our pleasure to serve you as the church's liaison between your home and our church home. We strive to make this experience smooth, although we too have had some bumps in the road.

New Deacons: Liz Anderson, Jeanne Messick, Steve Bull, Glen Stebbins, Kate Rizzo and Sadie Harlow have joined our shepherds to tend our flock. Hopefully, we have extended a hand to guide you through this year's Lenten road. Feel free to reach out to any of the Diaconate or to your shepherd.

We will be providing palms and the opportunity to order Easter flowers to beautify our sanctuaries whether we view in person or via Zoom. Stay tuned for more information.

Respectfully,  
Sue Craffey

## MYSTERY MOSAIC

This Easter we will assemble a giant Easter mosaic banner made up of pages colored by our members and

friends at home. If you would like to take one of the pages to decorate, please contact the Office or Pastor Michelle. We would like to receive the colored pages back at our **Saturday, March 27th**, Palm and Flower pick up so we have a week for assembly and photography!

## MISSION/OUTREACH NEWS MARCH 2021

The members of the joint Mission/Outreach committees met on February 10, 2021 to plan activities for the late winter and early spring. We explored different opportunities for mission that are possible with COVID-19 restrictions. Look for more information to follow on these activities:

1. **Tag Sale on May 22, 2021** to be held in the HCC parking lot. There will be an organizational meeting on **April 1, 2021**. Pam Crum will be chairing this event. The proceeds will be divided equally between our two churches. Clean house and box up your unwanted stuff; we will sell it to benefit our churches.
2. The **Bread Ministry** will again be active from the first week in June to early October. Here is a chance to learn to make bread, have fun selling it and help Haddam folks stay warm in the winter.
3. Our project for Lent will benefit the youngsters at the Solnit Center. They need sports equipment. More information on this project will be available in March.
4. The One Great Hour of Sharing offering will be taken in March.
5. We are planning a Spring Card night for **March 19, 2021**. You will have an opportunity to design spring cards that can be sent out to church members.
6. For Mother's and Father's Day we will support the state diaper bank. This bank has baby diapers, adult incontinence pads, and feminine hygiene supplies that are made available to people who need them.

We welcome new ideas. We need willing hands. We hope you would like to help.

Thank you for your generous gift to Back Bay Mission! Your gift to *Friends of the Mission* makes it possible to meet the most urgent needs of the poor and marginalized of the Mississippi Gulf Coast.

Your gift is already at work strengthening neighborhoods, seeking justice, and transforming lives. You're helping a homeowner stay in their home, providing homeless families with apartments, making sure people have enough food, and giving people the support they need to make their lives better.

Most importantly, your gift is making sure that Back Bay Mission is here to provide a safe and welcoming place for everyone who comes through our doors. Thank you for partnering with us through your generous gift. We – and those we serve – are ever grateful.

Grace and Peace,

**One Great HOUR OF SHARING**

[ucc.org/oghs](http://ucc.org/oghs)

UNITED CHURCH OF CHRIST

## ONE GREAT HOUR OF SHARING

One Great Hour of Sharing® is one of four special mission offerings of the United Church of Christ. This Lenten Offering supports the disaster, refugee, and development ministries of the United Church of Christ within Wider Church Ministries.

With congregations from many denominations, our churches will receive and dedicate our gifts for the OGHS Offering on Sunday, March 14th. Learn about how our gifts will be used during worship on Sundays, March 7th and 14th, and/or at [https://www.ucc.org/oghs\\_resources\\_frequently-asked-questions/](https://www.ucc.org/oghs_resources_frequently-asked-questions/).

## Water is life. Water is love. Let love flow.

Access to clean fresh water is vital for all of humanity, but for women in particular, water access means the difference between life and death for them and their families. The United Nations International Observance of **World Water Day** (March 22) reflects on the importance of water in our daily lives and remembers those who lack access to adequate drinking water supplies.

For women and girls around the world, it can be a 12 hour walk to the nearest water source to collect water to maintain basic needs and crucial hygiene practices during the COVID-19 pandemic.

With your support, 100 families will benefit from the Water Well project, sponsored by the United Church of Christ in Mozambique (UCCM). When you give to One Great Hour of Sharing, you invest in the hopeful future of women and girls around the world and serve as co-workers with God to build *a just world for all*.

Reflecting on the last two years' engagement by church Working Groups, members at the Joint Annual Meeting of FCCH and HCC indicated a strong desire to move forward with the process of making a decision regarding the joining of the two churches.

To include our whole community in this discussion as best we can in the pandemic, Pastor Michelle has been working to adapt to online use dialogue tools that usually would be engaged face-to-face in an all-church retreat setting. At the February Joint Church Council meeting, the Council delegated responsibility to finalize a plan to the Moderators and Pastor Michelle.

Preparatory to a more structured "Fishbowl" dialogue process during the Easter season, we would like to dedicate this time of Lent to intentional listening to one another's hopes and concerns.

### Paired Conversations

During February, FCCH and HCC members have been encouraged to pair up over the phone or Zoom with a partner from the other church for honest conversation about the current working relationship between the churches and what they expect going forward. Those in leadership positions were encouraged to undertake this dialogue with their counterparts, and all to speak with someone they did not yet know well to engage in conversation until they experienced both surprise and compassion.

### Letters to God

In addition and as a part of their Lenten self-examination, **members are asked to express and share their views in the form of individual letters to God.**

After time thinking about and clarifying for yourself ***"What does church mean to me?" and "What is FCCH and HCC's value for, responsibility to, and/or role in our community?"***, draw on your insights to write a prayer addressed to God reflecting your answer to or reflection on the question ***"What is the best thing that could happen on God's behalf in the mutual relationship of our two churches?" (Or, if you prefer: "How do we best serve God together?")***

Email or mail your letter to Pastor Michelle, who will confirm receipt and arrange for it to be **read aloud by a volunteer during or after our online worship services on March 7th, 14th, and 21st.**

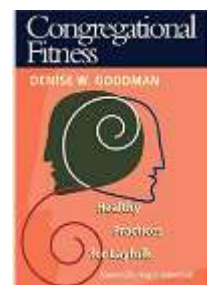

Authors will not be identified aloud- unless by the writer her or himself- when the letters are shared in our services, and listeners will be encouraged not to be distracted from the content by speculation.

To keep connection with those who do not attend online, we will include in the April *Good News from the Belfry* a list of those who contributed letters along with a general summary of letter content and (unattributed) excerpts as space permits. *(Please note: anonymous contributions may be read by leadership, but will not be shared with the congregation.)*

## Christian Education

Hello from Christian Ed! We have been busy finding out the answer to the question "Who does God say I am?" in the Dig IN Curriculum. In the lesson "God Gives Gideon Strength" (Judges 6-7), we learned that we are strong with God. In another lesson, "God Goes Ahead of David's Army" (2 Samuel 5:17-25), we learned that we need God's guidance and that he is happy to give us that guidance and friendship. Our most recent lesson, "Esther Has a Purpose," we read about how Queen Esther saved her people from the mean Haman! She had a purpose, to save her people! This lesson taught us that big or small we all have a purpose and that God gives us that purpose. I am very thankful for all of your continued support!
