Dear Friends,

As Eric's playing of the graduation march for our Prelude yesterday signaled, in the immortal words of Elle Woods, "We did it!" After a VERY long interim, it is at last time for us to say farewell as our paths diverge.

It has been a joy and a privilege to share in this interim journey with you, and I am excited that you will be going forward with Rev. Hilary McLellan, whose successful candidating weekend on October 30th-31st is pictured on the following pages.

As we part, I want to express my gratitude:

- to FCCH and HCC's members and friends for participating faithfully in the sometimes challenging work of this interim time;
- to the staff of FCCH and HCC for their creativity, dedication, and friendship;
- to your volunteer leaders for all their service and support, especially Moderators Kristin, Greg, and John, as well as those serving (often in multiple capacities!) on Boards, Committees, and Teams;
- and in particular to the seven members of your Joint Pastoral Search Committee whose work over these past two years resulted in the selection and call of Rev. McLellan- well done!

*<sup>3</sup> I thank my God every time I remember you, <sup>4</sup> constantly praying with joy in every one of my prayers for all of you, <sup>5</sup> because of your sharing in the gospel from the first day until now. <sup>6</sup> I am confident of this, that the one who began a good work among you will bring it to completion by the day of Jesus Christ."*

-Philippians 1:3-6

Blessings, Pastor Michelle

*Thank you so much for the wonderful send-off on Sunday, November 7th. I appreciate your generous gifts and kind words!*

*-Pastor Michelle*

### **SURVEY and EXIT INTERVIEW**

Thank you to those who filled out an Interim Ministry Survey and to Sue Craffey for compiling the information to share with the Pastoral Relations members (current and incoming) and Pastor Michelle.

Thank you also to those who gathered (in person and via Zoom) on Monday, November 1st, for Pastor Michelle's Exit Interview. This meeting was attended by Rev. Isaac Lawson, our new Area Conference Minister, who will be an ongoing resource; Rev. Lawson is our guest preacher on November 14th.

## A NOTE FROM YOUR MODERATORS

October 20, 2021

As the work of our Search Committee draws to a close, we all should take a moment to personally thank the members of the committee for their tireless efforts over the past twenty-four plus months. Amy, Sue, Lindamae, Sabina, Ralph, Candy and Mark have kept the congregations informed and have remained on task in spite of the many obstacles that the times have presented to them. We are indeed thankful for their diligence and determination in seeking out a candidate whom they are confident will lead us in the challenging days ahead. We will have an opportunity to meet and greet the candidate on October 30th and she will lead us in worship on the 31st. A special congregational meeting will be held immediately following the service to vote on calling the candidate as our next settled pastor.

The success of the search also means that the service of Pastor Michelle is drawing to a close. We as a congregation were very fortunate indeed to have had her leadership, her spirit, her pastoral care, and her boundless energy to lead us through the challenges of the past two and a half years. More than one parishioner has observed that she will be a hard act to follow! Pastor Michelle has set a high standard which serves to inspire us all in service to the church. Her final Sunday service will be November 7th with a reception to follow. Stay tuned for further details.

## STEWARDSHIP PROGRAM

The joint stewardship committee is excited to launch the 2022 season of generosity through introduction of our theme: "Be The Church, Together".

The program this year includes a month of stewardship moment activities featuring a symbolic tribute to the beautiful and strong combination of our churches. We will honor members of each congregation, through our stewardship moments we are calling 'lifting up'. Members of the committee will honor members of the 'opposite' congregation that have impacted us through who they are and what they have done to bring our two churches together.

As much as we know there are many reasons to rejoice for all we have come through together in the past five years or so, we as a committee, are issuing a call to action for every single member to "Be The Church, Together". For every individual, this will have a different meaning and hopefully inspiration to act. The combination of generously given time, talent and treasure will continue to bring our two congregations "Together".

A special shout out to Miss Amy for her superior crafting and construction skills for our symbolic project: a handmade loom that will weave together the colors of our two sanctuaries (also reflected in the graphic

shown). Make sure you ask Amy about the loom structure, as it too has a special origin story.

A bit of information about the timeline for the stewardship program:

- To save on postage, we will hand deliver pledge packets at our service on November 7, and will make sure everyone gets the info by November 14.
- Our congregations will consecrate the pledged gifts of time, talent and treasure at the Thanksgiving service on November 21.

## NEW CHURCH DIRECTORIES

Thank you to all those who updated their contact information on the draft directory copies available after church services in October. This allowed the office to produce updated directories for inclusion in the Stewardship packets.

We still have a ways to go- we already have heard back about errors in how some entries were generated from the software, and are working on it!- but we are grateful to have an updated directory for the first time in two years!

The Bread for Heat Ministry has completed its activity for the season. Throughout the summer, our artisan breads were mixed and baked on Friday mornings and sold at the Higganum Farmers' Market on Friday afternoons. It was a very successful year and many complements were received for the bread. A check for \$2500 will be delivered to the Haddam Social Services office to be used for the fuel bank. THANK YOU to everyone who helped bake, sell, or bought the bread. Your participation in this project will help people stay warm in the winter.

## OPEN YOUR CLOSET, NOT YOUR WALLET

This project sponsored by St Vincent de Paul in Middletown has asked for our help. Many of you have responded to this request. This project involves the Goodwill Donation Center and YOU. Open your closet and clean out clothes you no longer wear and bring the clothing to Goodwill Store with a donation card that we have at the church.

St. Vincent de Paul receives clothing vouchers that they can give to people who are in need of clothes.

This program is completing its first year, and it has been a resounding success. The donations have provided \$5,500 worth of vouchers that have been distributed in the community. These vouchers allow people the dignity of shopping for their own clothing.

Thank you all for helping with this project. The donation cards are still available at each church.

## Thanksgiving Dinner Collection

**In November, we will be preparing 14 Thanksgiving dinner boxes that will go to Haddam families.**

Look for the poster in the vestibule that will display the list of items to be gathered. Fourteen of each item will be needed. Items should be brought to church on Sunday, November 21, 2021. We will package the dinners in decorated boxes and deliver them to the Social Services office following worship.

*Please help us help other families in town for this feasting holiday.*

## Universal Charitable Tax Deduction for 2021

---

From David Cleaver-Bartholomew, posted October 29, 2021

Late last year congress extended and expanded the universal charitable tax deduction that became law as part of the CARES Act. This deduction now allows individual taxpayers to deduct up to \$300 and couples filing jointly and married to deduct up to \$600 in charitable contributions made in 2021. For many people, this restores the deduction for charitable contributions they benefitted from prior to the 2017 Tax Cut and Jobs Act (TCJA).

To qualify, charitable donations must be: 1) in cash, not property (a “cash” donation includes money contributed by cash, check, credit card, electronic funds transfer, or payroll deduction), and 2) given to a 501(c)(3) nonprofit, charitable organization, such as a religious organization like your local church, the SNEUCC, and/or the national setting of the UCC.

Importantly, this universal deduction is used to calculate one’s Adjusted Gross Income (AGI), so taxpayers **don’t have to itemize** their deduction on Schedule A to claim it. Instead, taxpayers can simply enter their qualifying amount on line 10b on page 1 of their Form 1040, then deduct it from their gross income.

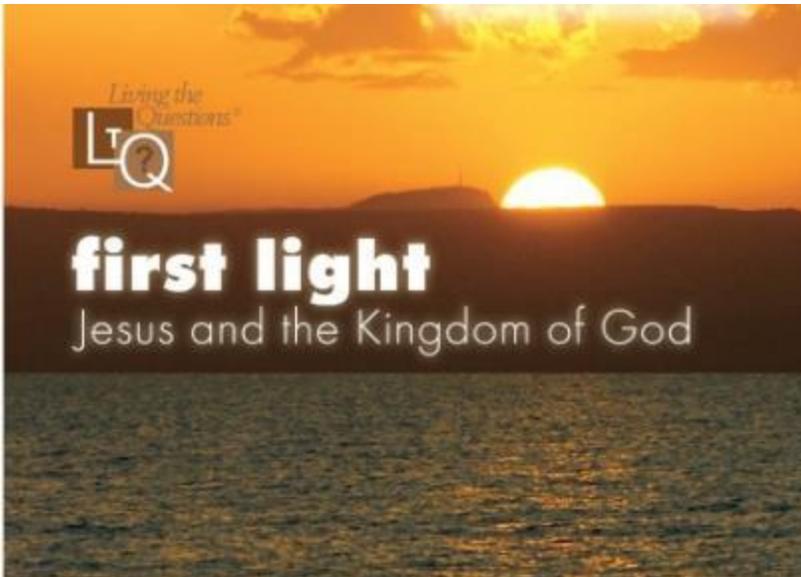

There is no requirement that taxpayers provide any documentation for their contributions with their tax returns. However, the IRS does require that taxpayers keep a written record of the cash contributions. For cash donations under \$250, donors can use a bank record or other documentation that substantiates the payment. For cash donations above \$250, the donor must have a document or timely receipt from the charity, for example, the church.

Because of the TCJA, it is estimated that approximately 90% of Americans now choose to take the standard deduction instead of itemizing, and thereby are unable to deduct their charitable contributions. While tax deductibility is generally not the primary reason why people make charitable contributions and/or how much they give, it can be a consideration.

Item #3 in the *Taxpayer Bill of Rights* states, “Taxpayers have the right to pay only the amount of tax legally due...” With this extension and expansion of the universal charitable deduction, individuals filing a tax return for 2021 have a right to claim up to \$300 (\$600 for a couple filing married and joint) in charitable contributions they make, including those made to the church, and thus reduce their taxable income.

I urge our churches to inform their members and friends of this tax change so that they can avail themselves of it when they file their 2021 tax return. Although there is legislation pending to both expand and extend this universal charitable deduction, its future is unclear. Hence, this may be the last year it is available.

## FALL ADULT EDUCATION CLASSES

**Why** were the titles of Caesar Augustus — Divine, Son of God, God from God, Lord, Redeemer, Liberator, and Savior of the World — taken from a Roman emperor on the Palatine hill and given to a Jewish peasant on the Palestine plain? **Was it low lampoon or high treason?** Either way, the Romans were not laughing. **What** were the priorities of Jesus' proclamation of the Kingdom? **How** was the status quo of Roman imperial theology subverted by this obscure Galilean whose message continues to indict empire today?

This fall our **weekday study** will explore the **historical Jesus** and the challenge of his proclamation of the **Kingdom of God** in the context of the Roman Empire.
